**PURE OCEAN
SALT**

net 150g

Asilia Salt is a sustainable, family-owned business with a long history in sea salt farming in Tanzania. Our salt journey begins with the pristine, mineral-rich waters of the Indian Ocean and has been grown with some help from Mother Nature's sun and wind. These elements are the essence that gives our sea salt's distinctive flavour and texture.

Giving you a pinch
of East Africa!

Ingredients
Sea salt (100%)

All ingredients produced and
manufactured in Tanzania.
