Our premium cold-pressed, food-grade castor oil is rich in ricinoleic acid, offering anti-inflammatory, antimicrobial, and deeply moisturising benefits. This pure organic oil is a nourishing essential for both skin and hair. Its quick-absorbing formula provides hydration and nutrients, leaving skin smooth and replenished. Packed with antioxidants, it helps fight free radicals, reduce signs of aging, boost collagen production, and improve skin elasticity while minimising the appearance of fine lines and wrinkles. Castor Oil is highly valued for promoting hair, eyelash and eyebrow growth while softening and strengthening for a fuller, healthier appearance.

Directions for use:
Moisturiser: Warm a few drops in your hands and massage into the skin. You can also mix with your moisturiser or blend with a carrier oil like coconut oil, for faster absorption.
Scalp and Hair: Massage into a dry scalp and hair 2-3 times a week. Leave on for 1 hour or overnight, then shampoo out.
Lashes & Brows: Apply 1-2 drops to lashes and brows each night.
Nail Care: Rub a small amount into nails and cuticles.
Beard Care: Use a few drops on your beard every evening.
Castor Oil Packs/Warm Compress: Saturate a cloth with castor oil, apply to the target area, cover with a towel or plastic wrap, and leave for at least 30 minutes. Optional: apply a hot water bottle over the towel/plastic sheet.
Ingredients: Organic, Cold-Pressed, Unrefined Ricinus Communis Seed Oil (Castor Oil).
