

BELLINI CIPRIANI – BELLINI COCKTAIL

Quality

The key to the success of this cocktail created by Giuseppe Cipriani is in the simple and genuine combination of two flavors: the fine and delicate taste of Mediterranean white peaches together with the lively and fragrant bubbles of Italian brut sparkling wine. Its elegant and captivating bouquet amazes for its freshness that enhances the fruity.

Production process

The original recipe of bellini at Harry's Bar in Venice is the result of a perfect balance between brut sparkling wine and a Mediterranean white peach puree. Our Bellini cocktail in bottle offers the same harmony between dry and fruity flavors, between intensity and freshness.

Ingredients

Sparkling wine, white peach purée (20%), water, peach syrup (sugar, peach juice, glucose syrup, flavourings), rectified concentrated must, preservatives (E224, E242, potassium sorbate), antioxidants (ascorbic acid), stabilisers (pectins, xanthan gum, potassium polyaspartate, gum arabic), dyes (carmine, beta-carotene).

Contains **SULPHITES**.

Organoleptic characteristics
