

# Efamol®

## Pure Evening Primrose Oil Liquid

- Dual action EPO liquid - can be taken orally or used topically on skin
- Vegan version of our EPO.
- Supported by research showing EPO is beneficial when applied topically.

### Key selling points

- 1ml daily dose providing same GLA levels as our EPO 1000mg capsule
- Same researched formula - Proven to help maintain beautifully smooth and nourished skin
- No other EPO contains Rigel seed oil, 33% higher in GLA
