ITEM CODE 29021-MG

RRP  
£22.00

Tweezerman's Facial Hair Scissors feature an ergonomic design with a curved precision blade and a rounded tip for added comfort and safety.

Ergonomic design with large finger loops provides added comfort and control.

Sharp precision blade is curved and features a rounded tip so won't cut yourself while trimming.

Stainless steel facial hair scissors are durable and easy to clean.

## HOW TO USE

Position Facial Hair Scissor tips slightly inside nostril or ear, and carefully cut visible hair only.

Always trim nose and ear hair never pull or yank with tweezers.
