

MELEA

TEMPRANILLO 2022

**FOR THE
PLANET.**

Named after the rare bee
Anthophora Melea, this organic and
vegan wine is made without toxic
pesticides that can harm bees and
other insects. Bees not only pollinate
wild flowers in the vineyard, but also
provide natural yeasts used to
ferment organic wines like this one.

It's in everyone's interest to keep
them around in good numbers.

Tasting notes: Aromas of black
cherries, blueberries, cocoa and a
hint of black olives. Concentrated
black fruit on the palate with notes
of liquorice and a silky texture.
