

# Men's Face Wash Refreshing 150 ml

A powerful fresh gel face wash with a fresh masculine scent.

Effectively removes impurities while refreshing and reinforcing the skin.

With a combination of xanthan gum and salicylic acid that exfoliates and leaves the skin soft, comfortable and radiant.

With Tazmanpepper extract that soothes irritated skin from shaving and reduces possible redness.

A perfect facial cleanser for men, that leaves the skin ideally prepared for shaving.

Can be used before shaving or in the shower, morning and night or whenever you need to get fresh.
