Change the World with every bite.
Plamil's Adrian Ling is often described as
the "Vegan Willy Wonka" due to the
amazing vegan chocolates he creates. We
have been British plant based pioneers
since 1957. Since then our mission has
been to be advocates for crops for food
not cows and to let children have a
childhood rather than being forced to
work on cocoa farms. Please dispose of
this wrapper in your recycling.

- Plamil for the planet
- Made using renewable energy
