Bone Broth Beef Protein Powder - 400g - Unflavoured - 100% Grass-Fed & Pasture Raised Beef (20 Day Supply) - by Alpha01

### PRODUCT DESCRIPTION

With no additives, preservatives, binders or fillers, this 100% pure Bone Broth Protein powder is sourced from the highest quality South American grass-fed cows. With 18g of natural protein per serving, this paleo-friendly powder is also fat-free and sugar-free to support your healthy diet. By choosing this product, you are giving hope to disadvantaged children worldwide. At Alpha01, 10% of profits are donated to non-profit organizations that feed and clothe children in need.

### FORMULA OVERVIEW

For those looking to incorporate collagen peptides without added flavours or additives, this bone broth protein offers a pure, versatile option. Sourced from South American, pasture raised cattle, the grass fed, hydrolysed bovine gelatin provides 18g of natural protein per 20g serving. Free from fat, sugar, preservatives and artificial ingredients, the powder delivers collagen and amino acids in an unflavoured form that blends seamlessly into drinks, soups and stews. Two scoops equal one serving, and the container consists of 20 servings in total. A resealable lid protects the powder from moisture and keeps it ready for convenient scooping. Incorporating this powder into a mindful routine is simple; its neutral taste allows you to enrich recipes without altering their character. Made in the EU with non-GMO ingredients and produced under GMP standards, it offers a clean, trustworthy way to add collagen protein to your diet.
