# CUTICLE SCISSORS

Expertly crafted for a professional quality manicure at home. STAINLESS STEEL CUTICLE SCISSORS offer sharp pointed tips to accurately trim hangnails and cuticles.

## FEATURES & BENEFITS:

Stainless steel body is durable, long-lasting and easy to clean

Specially designed, these scissors have ergonomic handles for comfort and control

Precision pointed tips cut cuticles with ease

## HOW TO USE:

- ① Start by pushing back the cuticle, then use the stainless steel cuticle scissors to trim excess, dead skin.
- ② When trimming cuticles or cutting hangnails, never cut live skin. Use caution as points are very sharp.
