

Fushi Organic Ghee is traditionally churned from artisan grass-fed butter for maximum quality. Ghee has a high smoke point, ideal for healthy frying, sautéing, oven-cooking, and searing. Ghee typically contains fat-soluble vitamins A, D, E, K and butyrate thought to support a healthy gut - all essential for good health.

WHAT MAKES OUR ORGANIC GHEE SO GOOD?

- 1 Fushi Organic Ghee is sourced from free-range, **grass-fed cows**.
- 2 Our ghee is clarified using the traditional Ayurvedic method & **freshly hand churned**.
- 3 This involves **slow cooking for 6-8 hours** to remove any impurities.
- 4 We only use **100% organic** butter with no additives.
- 5 Our pure & natural ghee ensures that you get the maximum **health benefits** and delicious flavour.

GRASS-FED ORGANIC GHEE

100% PURE & AUTHENTIC

420g

DIRECTIONS: Use as an alternative to your usual cooking oil. Delicious in baking. Can also be used externally on skin and hair. It is normal for the consistency to change depending on room temperature. Oil separation is normal. Just give it a loving stir! Keep refrigerated once opened.

INGREDIENTS: 100% pure organic Ghee "(Clarified butter(Milk))". Vegetarian & organic.

ORIGIN: Germany

FREE FROM: Added flavourings, preservatives or colourings.

ALLERGENS: **Derived from Milk.**
