

Q SILICA VEGAN COLLAGEN

VEGAN POWDER & CAPSULES

Two Pack Sizes:

180g Powder and 60 Capsules

KEY BENEFITS

- A real vegan collagen with an amino acid profile that mimics human type 1 collagen.
- Clinically researched with amazing results for reduction of fine lines, wrinkles, blemishes, improved skin tone, hydration and much more.
- Highly absorbable & water soluble.

WHY VEGAN COLLAGEN?

Vollagen® has key advantages over animal sourced collagen:

- Provides the Amino Acids in the exact desired ratio, in a water-dispersible format.
- The Amino Acids are already isolated so ready for the body to easily absorb them.
- Independent clinical research has shown incredible results within 60 days of use.

HERO INGREDIENT

Vollagen®

Vollagen® is 100% plant-origin, made from non-GMO corn & produced using a proprietary multistep fermentation & microencapsulation process.

Vollagen® aims to provide complex collagen amino acids for the body without animal origin or hydrolysis.
