NATURALULTRAPURE
Laboratories®Thank you for choosing ULTRAPURE Laboratories® Epsom Salts
with Eucalyptus Essential Oil.Guaranteed Irish and produced in County Mayo, our salts are a pure and
rich source of transdermal magnesium, designed to support muscle recovery,
relaxation, skin health and general wellbeing. With no added colours or
synthetic fragrances our Epsom Salts are 100% Pure and loved by
professional athletes plus skin and beauty experts.**DIRECTIONS: To Support Muscle Recovery & Relaxation:**Sprinkle 1-2 handfuls of Epsom Salts into a warm bath (37-39°C is ideal).
Relax and soak for at least 20 minutes.**To Soothe Sore, Tired Feet:**Sprinkle a handful of Epsom Salts to your foot spa and soak feet for 10-15
minutes. Pat dry and apply a luxurious and highly moisturising foot cream such
as ULTRAPURE Laboratories® Pure Coconut Oil. Your feet will thank you!**For Glowing Skin:**Mix 1-2 handfuls of Epsom Salts with a few drops of ULTRAPURE
Laboratories® Olive Oil. Use this mixture to cleanse, exfoliate and gently
remove dry skin patches, or stubborn fake tan.**INGREDIENTS:** Magnesium Sulphate, Eucalyptus Globulus Leaf Oil.**CAUTIONS:** Keep out of reach of children, For external use only. If irritation occurs discontinue
use. If pregnant or breastfeeding please seek advice from your Healthcare Professional.
