## Marketing Information

### Key Description (Max 250 characters)

- Collagen Complex is a unique combination of powerful nutrients including collagen, hyaluronic acid nucleotides and antioxidants for skin, joint, and bone support

### Key Bullets

- Effective – Uses the superior form of type 1 marine collagen along with hyaluronic acid and vitamin C for skin, joint, and bone support. Our collagen is easily absorbed and rapidly transported into the bloodstream, quickly reaching the target tissues
- Advanced – Nucleotides are the building blocks of our DNA, especially needed for the fast-replicating cells of connective tissue
- Specific solution – One of our edited range of go-to specific solution products for your health concerns
- Comprehensive – Also includes a rich mix of antioxidants and flavonoids including vitamin C, zinc, hesperidin, rutin, and rosehip powder
- Optimum support – Vitamin C supports collagen formation for healthy skin and bones, and protects cells from oxidative stress. Zinc contributes to normal DNA and protein synthesis
- No unnecessary additives
- Environmentally friendly – Recyclable packaging
- Trusted – We've been helping to shape a healthier society for over 30 years
- 30/60 days' supply at 2 capsules per day

### Key Health Claims (supporting marketing text)

- Label: Vitamin C contributes to normal collagen formation for the normal function of bones, teeth, cartilage, gums, skin and blood vessels.
- Vitamin C contributes to maintain the normal function of the immune system during and after intense physical exercise.
- Vitamin C and zinc are antioxidants that contribute to the protection of cells from oxidative stress.
- Zinc contributes to normal DNA and protein synthesis.

\*pending

- Rosehip is a good source of antioxidants which protect cells and tissues from oxidative damage.\*

#### **Suggested Combinations**

- Vitamin C Rosehip Complex and Mega EPA/Vegan Omega-3 for skin health or with Glucosamine MSM Complex for Joints and Bones.

#### **Product Updates**

- Label descriptor updated to: Vitamin C for skin, joint & bone support with collagen, hyaluronic acid & nucleotides
- EU address added.
