LIFESTREAM CHLORELLA

It is no secret that much of the food we eat is peppered with chemicals - insecticides, pesticides, preservatives, colours and flavours. Chlorella is nourishing to the body and naturally contains Chlorophyll which is an essential dark green plant nutrient.

What is special about Lifestream Chlorella?

- A rich source of natural Chlorophyll
- Unique cult breaking technology for high digestibility
- Outdoor grown in clean, mineral-rich water

Premium quality 'Outdoor-Grown' Lifestream Chlorella

Lifestream Chlorella has been 'Outdoor-Grown', without herbicides or pesticides under the strictest manufacturing standards.

Best before (end)

Store below 30°C. Keep dry and tightly sealed.
Do not use if cap seal is missing or broken.

Packaged in New Zealand from imported ingredients,

Carbohydrate	0.06g
-sugars	0.01g
Dietary Fibre	0.17g
Sodium	1.2mg
Chlorophyll	74mg

(All values specified above are averages)

SERVING SUGGESTION:
Adults only: Week 1 - 5 tablets per day. Increase to 10-20 tablets per day as required. Take between meals for greater detoxification. We recommend drinking 4-8 glasses of pure water per day whilst using Chlorella.

Not recommended during pregnancy or breast feeding. Some people may initially experience headaches, spots, tiredness or changes in bowel motions when first taking Chlorella. In the rare case of vomiting, intestinal pain, nausea or constipation, discontinue use. If you are taking prescription medication, please seek the advice of your healthcare practitioner before using Chlorella.

Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a balanced diet and healthy lifestyle. Keep out of reach of children.

PLEASE NOTE

The barcode on this proof is outside the GS1 General Specifications for the following reason(s):

Reason:

Truncated Magnification

If you wish to modify the barcode to meet this specification, please state as a correction. Hally Labels will then submit a new proof for approval. If you do not wish to make any changes to the barcode, please sign and return the proof. If any barcode accepted on the final proof is outside the GS1 General Specifications, Hally Labels will not accept any responsibility for issues from the non-compliance.

Proof at 100%

Every care is taken to avoid mistakes. However, no responsibility will be taken for errors not noted and re-submitted for corrections.
