of fatty acids, hy

IRISH SEA MOSS

Inish SEA MOSS Irish Sea Moss is a small sea algae which grows abundantly on the rocky shores of Ireland. The benefits of Irish Sea Moss were well known to the natives of Ireland long before it took on the status of superfood. Irish sea moss is full of important minerals and contains 92 of the 102 minerals found in the human body. The Irish Sea Moss in this product has been combined with two highly effective and unique kelp seaweeds. Wakame and Norwegian Kelp. Wakame is naturally rich in beneficial fucoxanthin, which contributes to fat metabolism and weight control.

RECOMMENDED DAILY DOSE

Take 1 tablet with a glass of water. Food supplements are intended to sup-plement the diet and should not be a substitute for a varied diet or healthy life-style. Do not exceed the stated dose. **Caution:** As with other food supplements. consult your doctor before using if you are under medical supervision or takin medication. **Warnings**: Not suitable for children under 12 years of age. Kee out of reach of children.
