BABY FRIENDLY: Shorten, shape, and smooth baby nails. Designed with safety in mind, this nail clipper and file are gentle on tiny toes and fingers.

HOW TO USE:

- ① Hold baby's palm and finger steady with one hand while trimming and filing with the other.
- ② Lift the nail clipper handle up and turn to start clipping. Place the baby's nail in the opening, making sure only the nail is near the blades. Press down gently.
- ③ Use the nail file to gently round and smooth nail edges.

HOW TO CLEAN:

Clean clipper blades after each use. Wipe clean with alcohol wipe.
