LITTLEOVER
APIARY'S

LUXURY
MANUKA
HONEY

250g

ACTIVE 10+

All of our Honey is cold extracted and cold filtered to protect the natural proteins and enzymes which make Manuka Honey one of nature's wonders.

It is produced in one of the least polluted environments in the world, NEW ZEALAND.

Manuka has a rich pungent aroma and full flavour, absolutely bursting with goodness.

Produced in New Zealand

Littleover Apiaries Ltd
Unit 16 Robinsons Industrial Estate
Shaftesbury Street, Derby, DE23 8NL
