

Natural Perfection

Potent and rare, this raw, verified 400 mg/kg methylglyoxal (MGO) is the most premium honey nature provides. Made exclusively by bees that feast on the nectar of New Zealand's wild Manuka flowers, our raw Manuka honeys are one of nature's greatest gifts.

UNPASTEURISED HONEY

Do not feed to children under 12 months.
No need to refrigerate. Store in a cool, dry place.
