Refill

**Instructions:** This product requires NO dilution.  
Refill = ready to use.

**Free from:** Hydrochloric Acid, Enzymes, Formaldehyde, VOCs, APEs. **Ingredients:** Made from renewable and sustainable plant-based resources. Detergents Regulations EC 648/2004. Contains less than 5% non-ionic surfactants. **Directions:** Dilute at 1:2-1:10 in warm water dependent on the degree of scale. Fill the item or soak in solution until the scale dissolves. Scrub if required to remove heavy deposits. Rinse thoroughly and allow to dry. For items such as kettles, rinse until all foam is removed. Avoid use on acid sensitive materials, such as aluminium, gold, silver or copper. Do not use on hot or damaged surfaces, old or damaged enamel and natural stones, such as marble. Always try on an inconspicuous area first. This product should only be used in line with product manufacturers cleaning guidelines. Not suitable for use on porous surfaces. **Storage:** Store in a cool, dry place. **Risk:** Keep out of reach of children. May cause skin irritation. May cause serious eye damage. Wash skin thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists seek medical attention. **Expiry:** 2 years from manufacture date on bottle. Proper use reduces costs and minimises environmental impact.
