

### Colloidal Silver liquid

The active ingredient in this product is colloidal silver at 10 parts per million, made using very pure water from a 9-stage purification process to achieve the very small particle size (0.0006 to 0.005 microns).

This product is not tested on animals.  
Vegetarian and vegan friendly.

Recycle this bottle with green glass.

**DIRECTIONS:** Can be used on any surface and can be sprayed into the air.

**100ml and 15ml refillable spray bottles are also available.**

Use this 200ml size to refill the 100ml and 15ml sizes.

Always replace lid when not in use.

**Refill Instructions for smaller spray bottles**

1. Remove lid and pump on small spray bottle and carefully lift away from bottle.
2. Place parts on clean, dry surface. Do not wash in water!
3. Insert attached funnel into neck of bottle.
4. Slowly pour Colloidal Silver from large bottle into funnel, being careful not to overfill.
5. Once filled, remove funnel and place on clean, dry surface. Do not wash in water!
6. Insert pump back into the small bottle and screw back on, taking care not to over-tighten.
7. Replace the lid on large bottle.

SIL-089-01

Keep in a cool, dark place out of reach of children.
