

Natural support for movement and recovery.

These discreet daily patches deliver their naturally supportive ingredients over 24 hours to help you feel more comfortable - day and night.

A clean, convenient alternative. No capsules, no mess - just peel, stick, and go.

HOW TO USE

- 1 - Peel, stick, go** (apply patch to clean, dry skin)
Apply one patch daily to clean, dry skin. Choose a relatively hair-free spot like your hip, upper arm or the top of your foot. They're waterproof and will stay on even when swimming.
- 2 - Press, breathe, pause** (gently press, then inhale the soft bergamot scent)
Rub bergamot to activate, then take a moment to breathe in the calming scent of Bergamot. That's your cue: you're doing something good for yourself.
- 3 - Switch daily** (remove after 24 hours, change placement daily)
Simply peel off and dispose after 24 hours. Change the patch location each day to keep your skin happy. Use daily for best results.

INGREDIENTS

Acrylates Copolymer, Cannabidiol (CBD), Curcuma Longa (Turmeric) Root Extract, Resveratrol, Linum Usitatissimum (Flax) Seed Oil, Menthol, Citrus Aurantium Bergamia (Bergamot) Peel Oil, Linalolol, Linnene.
