Slippery Elm Capsules 60caps - UK
57x170mm

5 060018 516221

Slippery Elm is derived from a native tree in North America. We have selected the finest organic farm that is tended by the native tribes, ensuring that the trees are harvested at their optimum period using ancient traditions. Only the inner bark of the slippery elm tree is used to create this fine cream coloured powder. Once harvested, the bark is dried at low temperatures to preserve as many nutrients as possible before being milled into a fine powder and encapsulated in vegan capsules.

Best before end: See base.

Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required. Food supplements should not be used as a substitute for a varied diet.

Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegetarians and vegans.
Naturally free from gluten and wheat. Non GMO. Non-irradiated.
NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS OR FILLERS
