

Freeze Dried Mango

Best Before:

OUR PROCESS

We freeze dry our mango to preserve its natural fruit nutrients and delicious taste.

A 35 g bag of DJ&A Freeze Dried Mango is made from about 200 g of fresh mango, making it naturally nutrient dense!

NATURE'S FRUITY SNACK

DJ&A Freeze Dried Mango is a ready to eat snack that is all natural and plant based. It contains no GMO ingredients and no artificial colours, flavours or preservatives.

For best before date see back of pack.
Keep sealed in a cool and dry place.

Taste and colour may change from season to season. The mango may naturally darken due to the freeze drying process.
