Sugar Cut™ Berberine

BARBERRY AND MULBERRY

Sugar Cut™ Berberine is made by carefully selecting the top leaves of the white mountain-grown mulberry tree and fruits from barberry shrub. The leaves and fruits are then dried and extracted to keep the beneficial plant components. This is your guarantee for a highly standardised quality.

Sugar Cut™ Berberine

**Carbohydrate metabolism
Blood sugar · Intestinal function**

Barberry helps to maintain normal intestine tract functions. Chromium helps maintain normal blood sugar levels.

MANUFACTURED IN SWEDEN

Barberry with natural content
of berberine, white mulberry leaf
& chromium piccolinate

Food supplement • 60 tablets

THE PATH OF VITALITY | SINCE 1990

New Nordic is a Scandinavian-based company established in Roskilde, Denmark in 1990. Over the years, we have built up a special know-how within vitality-giving herbs. Our expertise and passion has resulted in the development of innovative and effective health and beauty products that work in harmony with your body. We do not compromise on the quality and safety of the products we deliver. This makes the characteristic "silver tree logo" a seal of quality trusted by people all over the world.

INGREDIENTS

Mulberry leaf extract (*Morus alba* L.), bulking agents (microcrystalline cellulose, cross-linked sodium carboxymethyl cellulose), barberry extract (*Berberis vulgaris* L.), glazing agents (magnesium salts of vegetable fatty acids, hydroxypropylmethyl cellulose, glycerol), anti-caking agent (silicon dioxide), chromium.

Æ04149

BLOOD SUGAR METABOLISM, INTESTINAL FUNCTION

Sugar Cut™ Berberine is a premium quality barberry and white mulberry extract tablet formulated with chromium piccolinate. Barberry naturally contains berberine. Barberry helps to maintain normal intestine tract functions. Chromium helps maintain normal blood sugar levels, and chromium also helps maintain normal sugar metabolism. Suitable for vegans.

RECOMMENDED DAILY DOSE

Take one tablet two times daily. One 20 minutes before lunch and one 20 minutes before dinner with a glass of water. Additionally, if you feel the need, you can take one 20 minutes before breakfast or 20 minutes before a sugar-rich snack. Food supplements are intended to supplement the diet and should not be a substitute for a varied diet or healthy lifestyle. **Do not exceed the stated dose.** **Caution:** Seek professional advice before using if you are pregnant or breastfeeding. **Warnings:** Not suitable for children under 12 years of age. Do not use it if the blister packaging (inner foil) is broken or tampered with. Keep out of reach of children.
