

Nuasan Active CBD Muscle Gel 200ml

Our best-selling, Nuasan Active CBD Muscle Gel has a large following including endurance athletes, fitness enthusiasts, people on their feet all day and people suffering from joint pain and arthritis. This gel provides instant, warming relief, helping to reduce inflammation and pain and melting away tightness and tension. In a handy, take-everywhere, 100ml squeezable tube, this gel is rapidly absorbed and non-greasy unlike the CBD balms that are currently on the market. It has a great smell that customers love and contains 0% THC.

Ingredients:

Aqua, Alcohol, Glycerin, Camphor, Carbomer, Cannabidiol (CBD), Cannabis sativa (Hemp) seed oil, Rosmarinus Officinalis (Rosemary) Oil, Caprylyl/Capryl Glucoside, Vanillyl butyl ether, Glycin Soja (Soybean) seed extract, Menthyl lactate, Eucalyptus globulus leaf oil, Sodium cocoyl glutamate, Sodium hydroxide, Amyris balsamifera oil, Eugenia caryophyllus (Clove) leaf oil, Eugenol, Mentha arvensis (Wild mint) leaf oil, Sodium phytate, Capsicum frutescens (Chili) fruit extract, Limonene, Capsicum annuum (Paprika) fruit extract, citric acid, Glyceryl caprylate, Polyglyceryl-6 oleate, Cinnamaldehyde, Cinnamomum cassia (Cinnamon) leaf oil, Cinnamomum zelanicum (Cinnamon) bark oil, Linalool, Helianthus annus (Sunflower) seed oil, Sodium surfactin, Rosmarinus officinalis (Rosemary) leaf extract.
