| Gross wt. Case unit    | (0.54±0.02) kg                                                                                                                        |
| Product certifications | EU Organic, Kosher, Non GMO verified, Soil Association UK, Vegan                                                                      |
| Intended use           | Food                                                                                                                                  |
| Ingredient Declaration | Organic chamomile (62%), organic lavender buds (12%), organic hop leaves (11%), organic valerian roots (11%), organic lemon balm (4%) |
| Method of preparation  | Brew 3-5 minutes in boiling water                                                                                                     |

### 2-Organoleptic parameters

|                     |                                                          |
|---------------------|----------------------------------------------------------|
| Color of the liquor | Medium yellow to hint of green                           |
| Taste profile       | Fresh lavender hind of earthy, woody and bitter overtone |

### 3-Physical and Chemical parameters

|                      |      |
|----------------------|------|
| Loss on drying % w/w | ≤ 12 |
| Total ash % w/w      | 8-11 |

### 4-Residues and Contaminants

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Pesticides                 | Conform to regulation (EC) 889/2008. (EC) 834/2007 |
| Aflatoxins B1              | Max. 2.0 µg/kg                                     |
| Aflatoxins sum B1,B2,G1,G2 | Max. 4.0 µg/kg                                     |
| Lead                       | Max. 5.0 mg/kg                                     |
| Cadmium                    | Max. 0.2mg/kg                                      |
| Mercury                    | Max. 0.05 mg/kg                                    |

### 5-Microbiological parameters

|                         |                   |
|-------------------------|-------------------|
| Total plate count CFU/g | < 10 <sup>7</sup> |
| Yeast & Mold CFU/g      | < 10 <sup>5</sup> |
| E. coli MPN/g           | < 10 <sup>3</sup> |
| Salmonella MPN/g        | Absent in 25 g    |

### 6-Nutritional information

**HFSS score - 0**

#### 7-Allergen information

|                                                                       |    |
|-----------------------------------------------------------------------|----|
| Cereals containing gluten or their hybridized strains and products of | No |
| Crustaceans and product of these                                      | No |
| Fish and fish products                                                | No |
| Milk and milk products                                                | No |
| Nuts and products of nuts                                             | No |
| Sesame seed and product of these                                      | No |
| Soybeans and product of those                                         | No |
| Sulphite and/or sulphurdioxide                                        | No |
| Celery and celery products                                            | No |
| Molluscus and molluscus products                                      | No |
| Mustured and mustered products                                        | No |
| Egg and egg products                                                  | No |
| Soy beans and product of these                                        | No |
| Lupin and product of Lupin                                            | No |

#### 8-Packing material details

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| Primary packing material   | Food grade, compostable, unbleached filter paper |
| Secondary packing material | 270 GSM, Ivory back recyclable box board         |
| Tertiary packing material  | Brown liner E flute                              |

#### 9-Remarks

|                   |                                                                                                                          |
|-------------------|--------------------------------------------------------------------------------------------------------------------------|
| GMO               | The product is free from GMOs.                                                                                           |
| Health statements | Not Applicable                                                                                                           |
| Added sugar       | The product does not contain added sugar                                                                                 |
| Irradiation       | The product and the ingredients are not treated with ionization irradiation                                              |
| Pest control      | The product is subject to pest management system which also includes food grade CO <sub>2</sub> treatment under pressure |
| Storage condition | Cool dry place                                                                                                           |
| Country of origin | Sri Lanka                                                                                                                |
| Vegan status      | Suitable for vegan                                                                                                       |
| Caffeine          | Caffeine free                                                                                                            |
| Shelf life        | 36 months with recommended storage conditions                                                                            |
