

NU46210 Vitamin K2 100ug Tablets

Nature's Truth Vitamin K2 100ug - 60 Tablets

OVERVIEW:

This Vitamin K2 supplement provides 100µg of K2 (as menaquinone, MK-7) per tablet, an essential nutrient that supports bone health and cardiovascular function. Its convenient daily dose makes it easy to incorporate into a wellness routine, ideal for those seeking to maintain strong bones and heart health.

KEY INGREDIENTS & BENEFITS:

Vitamin K2 (Menaquinone: MK-7): Known for its role in bone health and calcium regulation, Vitamin K2 (MK-7) helps ensure calcium is directed to the bones, where it supports bone density and strength, and away from the arteries, promoting cardiovascular health. MK-7 is a superior, bioavailable form of K2 that is efficiently absorbed by the body, making it highly effective in maintaining optimal calcium distribution.

Vitamin K2 is ideal for supporting bone strength and cardiovascular health, making it a valuable addition to any daily supplement regimen.
