

Gewhol Med Salve for Cracked Skin

Product

Caring ointment for excessively dry, hard, rough and cracked skin.

Gehwol Med Salve for cracked skin has a base of selected oils which are kind to the skin and contains an effective combination of natural essential oils, panthenol, a skin vitamin and bisabolol, the anti-inflammatory component of camomile.

With regular use the skin regains its natural elasticity and resilience and is also protected. Helps prevent cracks, skin reddening and any other unpleasant, related symptoms.

A caring ointment for the treatment of heavily callused, brittle, dry and rough skin. Gehwol Med Salve for Cracked skin is based on a well-tried mixture of special soaps and selected skin-friendly oils.

- **Paraben-free**
- **Gluten-Free**
- **Dermatologically tested.**
- **Also suitable for diabetics.**

Use GEHWOL Med Salve for Cracked Skin twice a day and continue treatment with GEHWOL Callus Cream after the cracks are removed.
