EAT THE CHANGE YOU WANT TO SEE

EAT THE CHANGE YOU WANT TO SEE!

CHOCOLATE IS LOVED BY ALMOST EVERYONE – AND WE LOVE IT TOO. BUT, AS WELL AS MAKING THE MOST DELICIOUS CHOCOLATE POSSIBLE, OUR MISSION IS TO CHANGE THE WAY WE ALL THINK ABOUT CHOCOLATE.

SUPER GOOD

At the heart of our chocolate is cacao (cocoa beans), an incredible superfood – and we only use the best! High quality, organic cacao, small batch produced in Cambridge to our own unique recipes using all natural ingredients.

SUPER ETHICAL

For us, Ecuador is where it's at. Home to the best tasting cacao in the world, which we buy directly from farmers for MORE THAN fair trade prices! What's more, Ombar supports vital reforestation projects in Ecuador.

SUPER TASTY

We might not use dairy, but that doesn't stop our chocolate being ultra-smooth and melty, with a range of exciting flavours. Ombar is delicious!

At Ombar® we're on a mission to redefine chocolate and make it healthier, we call this... **super chocolate!**
