INGREDIENTS / СЪСТАВ / ИНГРЕДИЕНТИ / INGREDIENTI / INGREDIENTE / КООСТИ / СЪЛАД / СЪЛАДНИЦИ / ІНГРЕДІЕНТИ:
 Aqua, Hydrogenated Starch Hydrolysate, Hydrated Silica, Potassium Nitrate, Dicalcium Phosphate Dihydrate, PEG-8, Calcium Phosphophosphate, Pentasodium Triphosphate, Aroma, Sodium Coco-Sulfate, Cellulose Gum, Sodium Monofluorophosphate, CI 77891, Sodium Lauryl Sarcosinate, PVP, Sodium Methylparaben Sodium Saccharin, Menthol, Papain, Limonene. Fluoride content = 0.1 % (1000 ppm).

KEY INGREDIENTS:
Potassium Nitrate, Dicalcium Phosphate Dihydrate,
Calcium Pyrophosphate, Pentasodium Triphosphate,
Sodium Monofluorophosphate, PVP, Papain.

Made in EU.

**GENTLE WHITENING
AND ENAMEL PROTECTION**

WHITE PLUS

BIO-ACTIVE TOOTHPASTE

SPLAT®
PROFESSIONAL

WHITE PLUS

BIOAKTIVE ZAHNPASTA

100 ml e /
3,38 fluid ounces

1 Kalium-Ionen schützen vor Erhöhung der Zahneempfindlichkeit

2 Natriumtriphosphat
schützt effektiv vor
Zahnbelag

3 Das Sp.White System
hellt schonend auf
und poliert sanft
den Zahnschmelz

WHITE PLUS

BIO-ACTIVE TOOTHPASTE

100 ml e /
3,38 fluid ounces

1 potassium ions protect teeth from hypersensitivity increase

2 sodium triphosphate
effectively protects
from dental plaque

3 Sp.White System
gently whitens and
polishes tooth enamel
to a brilliant shine

[illegible]

Hambaemalilise otu valgendus ja kaitsmine, Kaalumioonide kaitlevad hambaid
lühikülmuse suuremise eest. Naatrium trifosfaat kaitseb tõhusalt hambakatu-
tekkinne eest, Sp.White System süsteem otustab valgendab ja poleerib emal-
laikeni, Soovitatav on pesta hambaid kaks korda päevas pärast sööki. Sisaldab:
naatriummonofosfaati, Fluorionide massiosa = 0,1 % (1000 ppm), Anilini-
taaskasvanele, Kui fluoriidi saadakse muudest allkatest, konsulteerida
hambaarsti või arstiga. Nominalema maht – 100 ml, Valmistamise kuupäev – 36 kuud
enne kõlblikkusa lõppemist. Kasutades enne: Vaata pakendi alumiinist osa-
(nr kaubapartneri KA.AAAA), hoida temperatuuril 0 °C kuni +25 °C. Pakendil olev
märkloot: lastele, Suitsela, helles kollane küllub autoritõendus.
