

L528  
 Ionic Boron 50ml - UK  
 53x115mm

Ionic liquid supplements are designed to promote optimal mineral absorption. Our ionic liquid supplements contain only the essential minerals suspended in de-ionised water, allowing them to be taken directly into the cells without the need for digestion or processing, resulting in targeted absorption and bioavailability.

**Best Before:** See base. **Storage:** Store in a cool, dry place away from direct sunlight. Ensure cap is tightly closed to maintain freshness. Do not freeze.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegans. Naturally free from gluten and wheat. **NO ARTIFICIAL COLOURS, FILLERS, PRESERVATIVES OR SWEETENERS**
