

ORGANIC • FAIRTRADE • VEGAN • GLUTEN FREE

The cocoa beans in this bar are purchased from either the UNOCACE or Fortaleza cooperatives in Ecuador. Both are organic, Fairtrade certified and firmly committed to improving the livelihoods of small-scale farmers. We then partner with our Swiss chocolate manufacturer who offsets all CO<sub>2</sub> from our production by planting timber trees in the growing areas to be used as additional farmer income. The native birds of South America gracing our recyclable packaging remind us of this thriving ecosystem behind every chocolate bar. This is premium chocolate to feel good about - certified organic, Fairtrade, climate positive, and made with natural ingredients.
