Product Description	Odor Controlled - Enteric Coated 500 EPA / 250 DHA This fish oil concentrate is molecularly distilled and manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants such as PCBs, dioxins, mercury and other heavy metals. Those who experience nausea or reflux

from other fish oils should find this enteric-coated, odor-controlled softgel easier to tolerate. From the FDA: "Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease." Natural color variation may occur in this product.
