

It's time to get naked

fussy.

Hey good smelling, we're Fussy...

about everything in our mission to bring you fresh-smelling-planet-friendly bodycare. Our refillable natural body wash saves plastic with every wash and has a prebiotic formula full of natural ingredients that cleanse, protect and moisturise your skin. Keeping you and the planet squeaky clean.

What it smells like:

COCONUT

ALMOND

VANILLA

How to smell fresh:

Simply twist, pop and wash. Drop the refill into your outer bottle. Twist the bottle top back on firmly until you hear the pop. Add pump. Lather up.

Refill finished?

Pull it out carefully and recycle it. Easy peasy.
