NOT SO FREQUENTLY ASKED QUESTIONS

WHAT ON EARTH IS WRITTEN ON MY CHOCOLATE BAR?

Our chocolate bar is split into 10 unequal pieces, so you can celebrate the little moments in life that really need that bite of chocolate. You can thank us later...

I STRUGGLE TO NOT ACCIDENTALLY BITE MY FINGERS WHEN EATING IT. HOW DO I PREVENT THIS?

We've worked hard to create a taste bud blowing, rich and creamy chocolate that's made out of oat M&LK. To keep your chocolate experience 100% plant-based, we would recommend wearing oven gloves to prevent eating any fingers.

AKA CRAZY

HOW LOCA IS MY COCOA?

When it came to finding a chocolate producer we didn't say 'whenever, wherever' (great tune though). We sought out a partner with the most prestigious cocoa classification. Harvested all in the kindest way possible for the planet and local Colombians. This cocoa doesn't lie.
