

# PRIMITIVO PUGLIA

*Indicazione Geografica Protetta*

# *Passitivo*

2022

Passitivo is produced using only the best ORGANIC PRIMITIVO grapes grown in low-yielding vineyards in Puglia, Southern Italy. A portion of these grapes are dried (APPASSIMENTO) to concentrate their aromas and rich fruit flavors. PASSITIVO has a deep red color and a complex bouquet reminiscent of cherries, raspberries and red currants. The aging adds a pleasant roasted and spicy aroma and makes this full-bodied and supple wine perfect with roasted red meats and mature cheeses.
