

Ingredients: New Zealand Manuka Honey.

Manuka Pharm® - specialists in high quality New Zealand Manuka Honey. This product meets the New Zealand Government's standard for Multifloral Manuka Honey. The MGO (methylglyoxal) level in Manuka Honey is derived from DHA (dihydroxyacetone) which is naturally present in the nectar of the Manuka Bush. The MGO level is validated by independent labs in NZ and the UK. Manuka Pharm® trusted from Hive to Home.
