

Place 2 tablespoons of lion's mane cacao drink in a mug. Gradually stir in 200ml of hot milk, froth & enjoy!

Made with ethically sourced cocoa beans grown by farmers respecting human rights, biodiversity, and cocoa forestry. Bristol Fungarium grow the only native lion's mane in the UK, cloned from an indigenous specimen found just 500m away from their mushroom farm in Somerset. A perfect meeting of ingredients that are full of antioxidants, betaglucans, and bioactive compounds that are great for cognition, mood, focus and energy.
