Description

Clean Deodorant Balm Citrus + Black Pepper is one of The Natural Deodorant Co.'s bestselling products, with fresh citrus, warm black pepper and earthy frankincense creating a refined, uplifting scent with strong everyday appeal.

Formulated with sodium bicarbonate and magnesium to neutralise odour naturally, it provides reliable all-day freshness without blocking pores. Unlike many natural deodorants, it works from first use with no detox period required.

The creamy balm texture is applied by hand, allowing it to rub in fully for better coverage and helping to prevent white marks on clothing.

Key selling points include all-day odour protection, aluminium salt free formulation, 100% natural fragrance from essential oils, vegan and cruelty-free credentials, plastic-free packaging and UK manufacturing.

The 55g glass jar typically lasts 10 to 12 weeks with daily use, offering strong value for customers and repeat purchase potential for retailers.

Directions

Ensure hands are clean and dry. Warm a small amount between fingertips and apply to each underarm, ensuring to rub in fully.
