AUTHORITY**

**TRADING  
STANDARDS**

This document confirms that the product label listed above has been assessed as meeting regulatory requirements at the time of issue by one of our food labelling experts. Labels should be re-submitted for review regularly. Certification does not constitute a guarantee of the legality of the product. Please note, our regulatory analysis is limited to the mandatory information, labelling rules and claims. Since we are not involved in the sourcing and manufacturing of raw materials, we cannot validate aspects related to the quality of finished products or the Novel Food status of any individual ingredients.
