Mooncup® Panty Liners

Ultra thin pantyliners made with 100% organic cotton for breathable air-flow. Zero fragrances. Zero dyes. Zero petroleum plastics.

Designed with a superior secure fit adhesive to stay in place all day.

Clinically proven to prevent irritation. Zero irritants. Vagina approved.

These liners biodegrade in a year even in landfill.

How to use

Peel off the backing strip, then use the adhesive underside to attach the liner to the internal tongue of your underwear.

Ingredients

Topsheet & absorbent core: 100% GOTS certified organic cotton.

Leakproof back sheet: cornstarch.

Adhesive: non-toxic, latex free and rosin free.

Waxed release paper.

We use only the best science-backed ingredients for vaginas and vulvas. No irritants. Zero. Nada.
