Organic Burdock Root 1400mg – 120 Capsules – High Strength Alkaline Arctium Lappa (2 Month Supply) by Alpha01

PRODUCT DESCRIPTION

Found all over the world, burdock is most commonly known in the UK for its use in a popular herbal drink. The root of the plant has been used for centuries across Europe and Asia due to its alkaline properties. This pure formula contains 1,400mg of organic burdock root in every single serving.

FORMULA OVERVIEW

This supplement presents burdock root in its most natural form, inviting a subtle, nutty flavour into your wellness routine. Two capsules provide 1400 mg of organic burdock root powder, crafted by cleaning, drying and milling the roots to retain their gentle aroma and warm colour. The powder is blended with organic brown rice flour and encapsulated in a vegan hypromellose shell to ensure purity without solvents or fillers. Each serving consists of two capsules, and the resealable pouch holds 60 servings, making storage neat and travel friendly. Whether taken with meals or as part of a daily ritual, these capsules offer a measured, taste free way to experience this traditional herb. Produced in the EU with non GMO ingredients under GMP standards, the product underscores Alpha01's commitment to clean label transparency and intentional simplicity.
