lasting

The Ecozone moth repellent creates a long lasting protective barrier against moths. Our formula uses a complex blend of natural essential oils to create a long lasting barrier against moths. The natural essential oil complex is safe to use all around the home.

How to use:

Spray a fine mist over affected areas and leave to dry completely. Repeat every 2 months to prevent moths returning.

Press and turn the nozzle to activate the spray

Keep out of the reach of children.

Avoid contact with eyes and skin. IF ON SKIN: wash with soap and water. IF IN EYES: Wash with plenty of water. If medical advice is needed have container or label at hand. Always test on inconspicuous areas and only proceed when completely satisfied with the results.
