

Sea Kelp 90Caps - UK
57x170mm - L398

202.655

5 060018 515328

Organic sea kelp harvested from the seaweed species *ascophyllum nodosum* from a sustainable and clean source in the EU, providing a high source of plant-based iodine. Kelp naturally produces a high concentration of the mineral iodine, which contributes to normal cognition, thyroid hormones and thyroid function, as well as maintenance of normal skin.

Best before end: See base.
Storage: Store in a cool, dry place away from direct sunlight. Refrigeration is not required.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Naturally free from gluten and wheat. Non-GMO.
NO ARTIFICIAL COLOURS, PRESERVATIVES, SWEETENERS OR FILLERS
