• Product Details

The PROMiXX PURSUIT Shaker Bottle is here. Our protein shaker bottle has been designed with simplicity, functionality, and elegance in mind. Our enviro-friendly ECOZEN shaker bottle has been created using natural materials based on the extract from plant or vegetable materials (FDA, LFGB & ESFA approved). It's also durable, odor and stain resistant and BPA-free, which means your protein stays clean. The perfectly curved contours combined with the lids integrated carry loop means it fits comfortably and securely in your hand – it's also guaranteed leakproof so no leaks in your gym bag!
