

Directions: Children aged 4-12 years: Take 1 gummy daily with food. Children over 12 years: Take 2 gummies daily with food. These delicious strawberry-flavour gummies are an easy and enjoyable way to support your child's daily nutrition. Vitamin A contributes to the maintenance of normal vision. Zinc contributes to normal cognitive function and vision. Iodine contributes to normal growth and normal brain development in children. Vitamin D contributes to the normal growth and development of bones and supports the normal function of the immune system in children. Vitamin C contributes to normal energy-yielding metabolism, supports psychological function and helps reduce tiredness and fatigue.

Free from gluten, nuts, eggs, milk and soy. No Artificial Colours and Flavours.

Storage Instructions: Keep this bottle tightly closed and store in a cool, dry place.

Batch / Best Before End: See bottom of the bottle. Colour may fade over time.

WARNING! Do not exceed the recommended daily dose. Excessive consumption may cause laxative effects. Keep out of reach of children. Not suitable for children under the age of 4 years. To be taken under adult supervision. Pregnant or breastfeeding women and those taking medication should consult with a doctor before use. Food supplements are not a substitute for a varied and balanced diet and a healthy lifestyle.
