<input type="checkbox"/> Approved for printing. <input type="checkbox"/> Not approved for printing, new approval.	
Date: Sign:	
Note! Check the <u>entire</u> approval even at minor adjustments. The signed approval should be returned. Soft proofs on screen requires a calibrated monitor to determine colours. Print proofs on paper should be viewed with 5000°K light conditions and are best stored dark, e.g in a black cover. The quality of the proof paper differ from the actual press paper/carton. Pantone colors: Please refer to PANTONE® for exact color specifications.	

GODKÄND
