 Ionic iron 50ml - UK
 53x115mm

5 060018 515632 >

Ionic liquid supplements are designed to promote optimal mineral absorption. Our ionic liquid supplements contain only the essential minerals suspended in de-ionized water, allowing them to be taken directly into the cell without the need for digestion or processing, resulting in targeted absorption and bioavailability. Iron contributes to normal cognitive function, energy-yielding metabolism, formation of red blood cells and haemoglobin as well as oxygen transport in the body. Iron also contributes to reduction of tiredness and fatigue as well as supporting your immune system and normal cognitive development.

Best Before: See base. **Storage:** Store in a cool, dry place away from direct sunlight. Ensure cap is tightly closed to maintain freshness. Do not freeze.

Food supplements should not be used as a substitute for a varied diet. Keep out of reach of children. Do not exceed the recommended daily dose.

Suitable for vegans. Naturally free from gluten and wheat. NO ARTIFICIAL COLOURS, FILLERS, PRESERVATIVES OR SWEETENERS.
