

POWDERED

NKDLIVING

100% NATURAL

ERYTHRITOL

FOR BAKING

NKD Living's Powdered Erythritol is a natural zero-calorie icing sugar replacement used to sweeten just about anything! A fast-dissolving powder that is perfect in sugar-free recipes where a fine powder works best, such as ice-creams & icings! For icing sugar, add a few teaspoons of water to Powdered Erythritol until the desired consistency is achieved.
